

Our music curriculum promotes an integrated, practical, exploratory and child-led approach to musical learning. Each unit covers all the strands of musical learning which correspond with the national curriculum for music: Listening and Appraising (Musical Activities; Warm-up Games; Optional Flexible Games; Singing; Playing instruments; Improvisation; Composition) and Performing. Our music curriculum is also enhanced through our weekly music assemblies.

	Autumn	Spring	Summer	
Year R	<p>Me! Year 5	<p>Living On A Prayer All the learning is focused around one song: Livin' On A Prayer. As well as learning to sing, play, improvise and compose with this song, children will listen and appraise other classic rock songs.</p>	<p>Keyboard The project further supports traditional notation and instrumental playing. Pupils will learn to play a number of melodies using their right-hand developing a basic understanding of five finger technique. Left-hand technique will be developed alongside this through the use of single finger chords used to accompany the melodies learnt. Pupils will also develop an understanding of the other functions available on a keyboard, such as the choices possible through the selection of styles and variations offered in the auto-accompaniment sections of the instruments. Sessions will also include a series of short pieces, games and improvised creative music making.</p> <p>Musical knowledge developed over the course will include pulse, rhythm, pitch, tempo. Key musical concepts will be rhythmic and pitch notation used on traditional stave notation, fingering of both right and left hands, auto-accompaniment, arrangement.</p>	<p>Classroom Jazz 1 This is a six-week Unit of Work. All the learning is focused around two tunes and improvising: Three Note Bossa and Five Note Swing</p>	<p>The Fresh Prince of Bell Air Old school hip-hop All the learning is focused around one song: The Fresh Prince of Bel Air.</p>	<p>Reflect Rewind and Replay This Unit of Work consolidates the learning that has occurred during the year. All the learning is focused around revisiting songs and musical activities, a context for the History of Music and the beginnings of the Language of Music.</p>

	Autumn	Spring	Summer		
Year 6	<p>Happy This is a six-week Unit of Work. All the learning in this unit is focused around one song: Happy by Pharrell Williams. A Pop song with a Soul influence about being happy. What makes you happy?</p>	<p>Drums (Samba) Pupils will investigate and learn how to play a Samba in the Batucada street style found in the music of carnival and forming the backbone of Brazil's national music. They will discover how this percussive driven mix of musical traditions from Europe, Africa and South America interwoven through the story of slavery and religious belief has come into existence alongside learning to play the different instrumental parts. Students will then layer these rhythms to form the syncopated, polyrhythmic patterns typical of samba before creating an arrangement of a whole piece by combining different sections including an introduction, ending, solos and breaks.</p> <p>Musical knowledge developed over the course will include pulse, rhythm, dynamics, tempo and structure. Key musical concepts will be polyrhythms, maintaining an independent part, structure and rhythmic improvisation.</p>	<p>Classroom Jazz 2 All the learning is focused around two tunes and improvising: Bacharach Anorak and Meet The Blues.</p>	<p>Music and Identity This Unit of Work aims to embed the role of women in music into the thinking of children and young people of all genders. It includes contextual listening of the artists' work, video interviews and an option for pupils to create their own music based on their learning.</p>	<p>Reflect Rewind and Replay This Unit of Work consolidates the learning that has occurred during the year. All the learning is focused around revisiting songs and musical activities, a context for the History of Music and the beginnings of the Language of Music.</p>
