

	Autumn	Spring	Summer	
Year 1	<p>Drawing - Mark Making In this unit, the children will develop their ability to hold and use drawing tools. They will begin to make marks on cartridge paper using a variety of materials such as pencils and charcoal. They will produce their own drawings inspired by Paul Klee and Joan Miro.</p> <p>Artist Study: Paul Klee and Joan Miro</p>	<p>Painting - Colour Chaos In this unit, the children will develop their ability to select and use different brushes to explore and make marks of different thicknesses. They will be introduced to Colour Theory, Primary and Secondary colours and simple colour mixing. They will produce their own paintings inspired by Damien Hurst.</p> <p>Artist Study: Jackson Pollock and Damien Hurst.</p>	<p>Textiles – Textures and Pattern In this unit, the children will develop their ability to select and organise materials. They will begin to use materials such as threads, cottons, wool, raffia, paper strips and natural fibres. They will produce their own artwork inspired by Gustav Klimt.</p> <p>Artist Study: Gustav Klimt (The Kiss)</p>	<p>Collage - Food Faces In this unit, the children will develop their ability to select different materials considering content, shape, surface and texture. They will begin to use paste and adhesives to select and place cut and torn shapes onto a surface to convey an idea. They will produce a portrait inspired by Arcimboldo.</p> <p>Artist Study: Giuseppe Arcimboldo</p>
Year 2	<p>Drawing – Realism In this unit, the children will develop their ability to use marks, lines and curves. They will begin to position all marks and features accurately and apply rules of simple perspective. They will complete observational studies of Sutton Park as well as the schools buildings and grounds. They will produce a street scene of a place in St Helens.</p> <p>Artist Study: L.S. Lowry</p>	<p>Painting – Colourful Creations In this unit, the children will develop their colour mixing ability and recap on their observational drawing skills. They will make as many tones of one colour as possible (using white) and darken colours without using black. They will begin to apply colour with a range of tools. They will produce illustrations of plants and insects.</p> <p>Artist Study: Maria Sibylla Merian</p>	<p>3D form - Sculptures In this unit, the children will develop their ability to handle and manipulate malleable materials such as clay. They will use the clay to produce figures inspired by the iron men seen on our Crosby Beach and The Dream seen in our local area, St Helens.</p> <p>Artist Study: Antony Gormley and Jaume Plensa</p>	<p>Printing – Relief Printing In this unit, the children will develop their ability to apply ink to a shape or surface to experiment with printing and improving the quality and placement of the image. They will produce a print based on nature and the work of William Morris. They will begin to compare own design and pattern making with that of well-known designers or familiar patterns</p> <p>Artist Study: William Morris</p>
Year 3	<p>Drawing – Observational Drawing In this unit, the children will develop their hand-eye coordination, control and accuracy of detailed observations. They will experiment with continuous line drawing, backwards and forwards sketching, drawing by touch and using ink. They will produce Autumn floor drawings and seasonal drawings.</p> <p>Artist Study – Claude Heath</p>	<p>Painting - Portraits In this unit, the children will develop their ability to explore thought-provoking images. They will begin to use colour and marks to express mood. They will produce self-portraits inspired by Frida Khalo.</p> <p>Artist Study: Frida Khalo</p>	<p>Printing / Textiles – Hapa Zome Printing In this unit, the children will develop their ability to print. They will be introduced to Hapa Zome printing to produce art inspired by the views of the Lake District. Following this, the children will be introduced to cutting threads and fibres and stitching in order to sew the prints onto fabric.</p> <p>Artist Study: India Flint</p>	<p>3D form - Canopic Jars In this unit, the children will develop their ability to model in malleable materials and control form to assemble basic shapes or forms. They will begin to construct a simple functional form such as a coil pot, smoothing and joining clay with care. They will produce an Ancient Egyptian canopic jar.</p>

	Autumn	Spring	Summer	
Year 4	<p>Drawing – Composition and Expression In this unit, the children will develop their ability to look at the whole of a drawing before they look more carefully at their subject matter. They will begin to draw to a slow rhythm/music and use pastels. They will produce gestural and large-scale drawings.</p> <p>Artist Study: Pablo Picasso</p>	<p>Painting – Inspired by Nature In this unit, the children will develop their ability to use colour, texture and tone on natural objects. They will begin to show the effect of light using water-colour and acrylic paint. They will compare and contrast the work of different artists.</p> <p>Artist Study: Georgia O'Keefe and Van Gogh.</p>	<p>Collage - Past and Present People In this unit, the children will begin to use people as a stimulus for a mixed media work to convey meaning. They will produce collages linked to local people of the past and people today, including themselves.</p> <p>Artist Study: David Hockney</p>	<p>Printing - Printing In this unit, the children will develop their ability to make printed artworks. They will create an image by drawing onto foam or a polystyrene plate with the edges removed, apply ink and print multiple images. They will make observations about the prints before producing a final piece of artwork inspired by Hokusai.</p> <p>Artist Study: Hokusai (Great Wave)</p>
Year 5	<p>Drawing – Light and Tone In this unit, the children will develop their understanding of light and tone and their ability to use charcoal and white chalk to express this. They will create observation studies of a group of still life objects lit by a directional light, closely observing the shadows created and the negative space between the objects. Their final piece will be a still life scene from their imagination, which they will add shadow and tone to after lighting the work with a torch.</p> <p>Artist Study – Johannes Vermeer</p>	<p>Collage – Embellishment In this unit, the children will develop their ability to embellish a surface using a variety of techniques, including drawing, painting and printing. They will begin to embellish decoratively using more layers of found materials to build complexity and represent the qualities of a surface or thing. They will produce a sugar skull mask. Students have a ready made mask to work on. They will add exaggerated features and embellishments.</p> <p>Study: Day of the Dead imagery</p>	<p>Textiles - In this unit, the children will develop their awareness of the natural environment through careful colour matching and understanding of seasonal colour. They will begin to use plaiting, pinning, stapling, stitching and sewing techniques with care to decorate and make an image. They will produce their own rainforest scene inspired by Rousseau.</p> <p>Artist Study: Henry Rousseau</p>	<p>Painting - Portraits In this unit, the children will visit The Louvre art gallery. During this visit, the children will gather inspiration for their own portrait painting. After producing observational drawings of each other, they will begin to add colour, experimenting with different methods to apply colour and using a variety of tools and techniques to express mood or emotion.</p> <p>Artist Study: Leonardo da Vinci (The Mona Lisa), Pablo Picasso (Blue Period) Vincent Van Gogh – Self portrait</p>

	Autumn	Spring	Summer	
Year 6	<p>Drawing – Illustrations In this unit, the children will develop their ability to create drawings which bring stories and poems to life. They will begin to express their ideas by selecting the most appropriate drawing materials and deciding where and how to use them. They will illustrate World War poems and stories.</p> <p>Artist Study: Paul Nash</p>	<p>Printing - Heroism In this unit, the children will develop their ability to recreate a scene and detail observed. They will learn how to make a relief print and use a range of marks to suggest texture in a work of art. They will produce artwork linked to their exploration of The Blitz and World Wars.</p> <p>Artist Study: Elizabeth Catlett (Sharecropper.)</p>	<p>2019 - 2020 Due to a fixed term exhibition that Year 6 will be visiting, this academic year, the children will engage in the following unit: Painting with Scissors In this unit, the children will develop their ability to use colours, tools and effects to represent things seen, remembered or imagined. They will begin to plan/paint symbols, forms, shapes, and composition. They will use oils, watercolour and gouache paint. They will produce a collage using Matisse's method 'painting with scissors.'</p> <p>Artist Study: Henri Matisse</p> <p>2020 – 2021 onwards Painting – Impressionism In this unit, the children will develop their ability to apply colour using different techniques. They will begin to use small, thin, yet visible brush strokes. They will show the effect of light and represent action or interaction. They will produce an immediate impression of a moment or scene.</p> <p>Artist Study: Claude Monet</p>	<p>3D form – Ecological Artwork In this unit, the children will develop their ability to explore how a stimuli can be used as a starting point for 3D work. They will begin to make imaginative use of the knowledge they have acquired of tools, techniques and materials to express own ideas and feelings. They will produce 3D sculptures using a range of recyclable and disposed of items.</p> <p>Artist Study: Michelle Reader</p>
