Headteacher's Notes

Dear parents and carers,

I can't believe that we are almost at the end of term already.

Unfortunately, the weather prevented us from completing our Santa Dash and Santa Strolls, yesterday, but we will keep a close eye on next week's weather forecast and will aim to hold the event by Friday 20th December. Thank you to all whom have already sent in sponsorship money – it will go a long way to help fund new Kindles and Reading Plus.

Thankfully, the weather did not stop our choir from visiting St Helens Hospital to spread their Christmas cheer this week. Our children did a great job of singing several Christmas carols and I know that the hospital patients enjoyed them very much. We hope to have pictures on Facebook by home-time today.

Yesterday also saw our school being used as a polling station. Regardless of your political preferences, this weekend is a perfect time to engage your child in discussions around democracy. It is also an opportunity to remind them of the democratic opportunities they have at school through our school councils and ambassador teams.

Today was our final 'Breakfast with Santa' morning. Once again, I'd like to thank all those who contributed their time and efforts to organising the event. I would also like to thank Santa for visiting us, twice, at such a busy time of year.

Next week sees our EYFS and key stage 1 Christmas performances, Christmas Lunch/Jolly Jumper Day and our end of year parties. We will also be running a Christmas raffle throughout the week. You can get your tickets from the office now or during our performances. Good luck to you all.

You will notice that we have not included any of the award winners overleaf as the celebration assemblies will take place on Monday 16th December. As always, the final newsletters of the term are written by the class teachers so this is my last opportunity, at least in writing, to wish you all a fantastic winter holiday.

Stay safe and enjoy this precious time with your children.

Yours sincerely,

Mr Spruce
