Headteacher's Notes

Dear parents and carers,

This week, most classes started their music lessons, led by St Helens Council Music Service. I heard lots of lovely sounds coming down the corridors, such as glockenspiels from Year 3 and boomwhackers from Year 1. I'm sure the children were excited to tell you all about the instruments they are learning to play.

We have another busy week coming up. New clubs will start on Monday. You should receive a text message soon if your child has a place in their preferred club. As you know, we try to offer a good variety of extra-curricular clubs and this term, we have brand-new geography and homework clubs. We also have sports students from Edge Hill University coming to assist with our sports clubs and to help us to prepare for some upcoming competitions that will be held during the term.

Next week, pupil voice meetings will start again when our Happiness Heroes and Road Safety Officers hold their first meetings of 2020. I always look forward to hearing the feedback from these meetings and I'm sure the children have some great suggestions and ideas for the new year.

Finally, as always, have a great weekend, and we will see you all again on Monday.

Yours sincerely,

Mr Spruce

Car Parking

Can we please remind you all to take care when using the visitor car park. An increasing number of cars are being parked along the double yellow lines and on the kerbs surrounding the car park. Everybody needs to ensure that cars are parked in an appropriate bay as we need to keep pathways clear for our children and family members to walk safely into the building. Double parking can also cause restricted access. If there was a situation where we needed emergency services to drive to the front of the building, we need to ensure there is sufficient space to do so. Thank you for your co-operation with this.
