

Robins Lane
PRIMARY SCHOOL

Thursday 10th September 2020

Dear parents and carers

Please can I remind all parents and carers that you must not bring your child into school if they display any of the following symptoms:

- a new continuous cough.
- a high temperature.
- a loss of, or change in, your normal sense of taste or smell (anosmia)

We appreciate that symptoms may only develop during the school day but, if you see any symptoms before coming to school, you must stay at home and arrange for a test. If you are unsure, please phone school for advice before coming onto the school premises.

We are aware that the availability of home-testing kits is difficult at the moment but you must still follow self-isolation guidance until you can arrange a test. We must work together to keep our school community safe.

Yours sincerely,

Mr Spruce
