

Read Write Inc.

Parent Handbook

“Teach a child to read and keep that child reading and we will change everything.

And I mean everything.”

Jeanette Winterson

Glossary

Here are some of the terms that we refer to in our daily reading lessons.

Set 1 Sounds	m, a, s, d, t, i, n, p, g, o, c, k, u, b, f, e, l, h, r, j, v, y, w, z, x. sh, th, ch, qu, ng, nk.
Set 2 Sounds	ay, ee, igh, ow, oo, oo, ar, or, air, ir, ou, oy.
Set 3 Sounds	ea, oi, a-e, i-e, o-e, u-e, aw, are, ur, er, ow, ai, oa, ew, ire, ear, ure, tion, tious.
'Special Friends'	Special friends are a combination of two or three letters representing one sound, e.g. ck, ay, igh, oa.
Fred Talk	Fred the Frog helps children read and spell. He can say the sounds in words, but he can't say the whole word, so children have to help him. To help children read, Fred (the teacher) says the sounds and then children say the word. For example, Fred says c-a-t, children say cat, Fred says l-igh-t, children say light. Teachers are encouraged to use Fred Talk through the day, so children learn to blend sounds. For example: Play Simon Says: Put your hands on your h-ea-d/ f-oo-t/ kn-ee. Put on your c-oa-t/ h-a-t/ s-c-ar-f. Set the table with a b-ow-l/ f-or-k/ s-p-oo-n.
'Fred in your head'	Once children can sound out a word, we teach them to say the sounds silently in their heads. We show them how to do this by: 1. whispering the sounds and then saying the whole word; 2. mouthing the sounds silently and then saying the whole word; 3. saying the whole word straight away.
Nonsense or alien words	Nonsense words (also called pseudo words, non-words and alien words) are used to assess children's knowledge of sounds. We use made-up words to ensure that children have not read or heard the words before.
Perfect pencil grip	Children sit at a table to write. They hold up a pencil in a tripod pencil grip with the non-writing hand flat holding their paper.

How does my child learn to read in school?

We begin by teaching children sounds that letters make, alongside teaching children sounds, we teach them to blend sounds to read words e.g. s-a-t, sat.

Fred Frog helps us to learn new sounds. Fred can only speak in sounds. He says d-o-g, h-a-t etc.

Speaking like Fred helps children to understand that words are made up of sounds. Fred helps children practise blending sounds together because he needs the children to say the words for him. Fred says d-o-g, children tell him the word is dog.

In our school, children read each Read Write Inc. Storybook three times in class with their partner. Re-reading the same book helps children to become confident readers. Each time they re-read, they build their fluency/speed and comprehension. They love reading and want to read because they can read all of the words in the Storybook.

We set a focus for each re-read in school:

- The first read focuses on reading every word accurately.
- The second on reading the story more quickly.
- The third read on comprehension - understanding what they read.

Then your child brings the same book home to read and enjoy with you again and again at home.

It's 'three with me, four at home.'

We do not send stories home the children cannot read because we always want them to be set up to succeed in their reading. We want to make sure they enjoy reading so that they want to read. The more they read, the faster progress they will make.

How can I support my child's reading and writing?

Here are the top five things you can do.

1. Ask your child to read the Speed Sounds speedily
2. Use Fred Talk to help your child read and spell words
3. Listen to your child read their *Read Write Inc.* Storybook every day
4. Practise reading Green and Red Words in the Storybook speedily
5. Read stories to your child every day.

What will my child bring home to read?

- 'Last and past' Storybooks: contain sounds and words the children know. This is the Storybook they have just read at school and maybe some they have read before, for extra practice. Please do not worry that books are too easy. Children enjoy re-reading stories they know well. Their speed and understanding improves on every read.
- Book Bag Books: matched to the Storybooks children read in school and used for extra practice. They include many of the same reading activities that we use in class and include parent guidance.
- Picture books to share with you: read these stories to children or encourage them to retell the story by looking at the pictures. They are not expected to read the story themselves.
- Speed Sounds Book: for children to practise reading speedily. If needed, show your child the picture side of the card to help them remember the sound.

How can I support my child to learn Set 1 sounds and to blend?

- Use pure sounds, not letter names. Watch the '*how to say the sounds*' parent film on <https://www.ruthmiskin.com/en/find-out-more/parents/>
- Watch the '*Reading the stretchy sounds with your child*', '*Reading the bouncy sounds with your child*' and '*Reading the digraphs with your child*' parent films on <https://www.ruthmiskin.com/en/find-out-more/parents/> to see how to teach Set 1 sounds
- Practise reading known Set 1 Speed Sounds in your green Set 1 Speed Sound book speedily. If needed, show your child the picture side of the card to help them remember the sound.

We teach children to read and spell using Fred. He is a toy frog who can say the sounds in words, but not the whole word. Children have to help him.

To help children learn to blend, we say the sounds as Fred and then children repeat the sounds and say the whole word.

Here are two ways you can use Fred Talk at home:

1. Play Fred Games together – see Fred Games document on <https://www.ruthmiskin.com/en/find-out-more/parents/>
 2. Speak like Fred throughout the day e.g. time for l-u-n-ch! Let's p-l-ay!
- Watch the 'Sound-blending' parent film on <https://www.ruthmiskin.com/en/find-out-more/parents/>

How can I support my child to learn Set 2 or 3 sounds?

- Watch the 'Set 2/3 tutoring' film on <https://www.ruthmiskin.com/en/find-out-more/parents/>
- Help your child practise reading known Speed Sounds in their Yellow Set 2 and 3 speed sounds book speedily. If needed, show your child the picture side of the card to help them remember the sound.

How do I listen to my child read?

Your child has a Storybook matched to the sounds and words they know – a decodable book – so they should be able to read all the words.

Please avoid saying, *“This book is too easy for you!”* but instead say *“I love how well you can read this book!”*

Remind your child to read words using ‘Special Friends, Fred Talk, read the word’ (see glossary).

For example *‘ship’*: spot the ‘sh’, then Fred Talk and blend to read the word e.g. sh, sh-i-p, ship.

Red Words

Red Words are also known as common exception or tricky words. They occur in stories regularly (said, what, where) but have unusual letter combinations ('ai' in the word 'said' makes the sound 'e'). Remind your child not to use Fred Talk to read Red Words but instead to 'stop and think'. Tell them the word if you need to.

Read the same book again and again

Children love reading the same book again and again. Their reading becomes speedier and they understand what they are reading.

- Encourage your child to read words using 'Fred in your head' (see glossary)
- Show your child how to read the story in a storyteller voice
- Share your enjoyment of the story when they read it again and again.

What do I do with the picture books?

One of the most important things you can do as a parent at home is read *to* your child. Loving stories is important because children who love stories want to read stories for themselves. Children who read a lot become better readers.

Here are some top tips for storytime:

1. Make it a treat – introduce each new book with excitement
2. Make it a special quiet time – cuddle up!
3. Show curiosity in what you're going to read
4. Read the story once without stopping so they can enjoy the whole story. If you think your child might not understand something say something like 'Oh I think what's happening here is that...'
5. Talk about the story e.g. I wonder why he did that? Oh no, I hope she's not going to...
6. Avoid asking questions to check what they remember
7. Link to other stories and experiences you have shared e.g. this reminds me of...
8. Read favourite stories over and over again – encourage your child to join with the bits they know. Avoid saying 'not that story again!'
9. Use different voices – be enthusiastic!
10. Love the book – read with enjoyment

How can I help my child to practise their handwriting?

Remind your child:

- To hold their pencil in 'perfect pencil grip' (see glossary)
- Say the handwriting phrase to help them form the letter correctly – see Handwriting Phrases on <https://www.ruthmiskin.com/en/find-out-more/parents/>

Challenge your child to see how many sounds they can write in a minute.

Say the sound and children write e.g. 'write m', 'write s', 'write w'.

How can I help my child to spell words?

- Encourage your child to use Fred Fingers to spell words
- Ask your child to say the sounds in the word as they press the sounds onto their fingers
- Ask your child to then write the letters – if they get stuck, say the sounds again
- Praise your child for spelling using the sounds they know, even if their handwriting is not perfect.

How else can I develop my child's language?

Children will have a large vocabulary if they are part of a 'talk-a-lot' family:

- Use every opportunity to talk with your child throughout the day – meal times, playing together, bath time
- Use new and ambitious vocabulary e.g. miserable instead of sad, stroll instead of walk
- Speak to your child in complete sentences
- Make up stories together - there is no need to write it down.

Where else can I find information?

Watch video tutorials on <https://www.ruthmiskin.com/en/find-out-more/parents/> to help you to understand more about *Read Write Inc.* Phonics and how to help your child read and write at home.
