Afternoon tea
Wednesday
15th March 2pm

The PTFA would like to invite our parents/grandparents/carers to an Afternoon Tea and Pamper session at Robins Lane on Wednesday 15th March from 2pm.

Our friends from 'Body Shop at Home' will be on site with lots of products to sample, advice and maybe even a bit of pampering.

We are hoping that a couple of local businesses will also support our event and you could even choose to spoil yourself with a well earned gift ahead of Mothers Day or buy some goodies for someone else.

Money generated from sales of products on the day will be gifted to the PTFA and in turn this money will be spent on the children in school.

We look forward to seeing lots of you on the day.
Robins Lane PTFA
