

Homework

Week beginning 26/06/17

This week...

- we have had an exciting (but wet and miserable!) sports themed week. We spent a morning with the Healthy School Team, making and eating healthy wraps filled with ingredients such as sweetcorn, tomatoes, cucumber, tuna and chicken. Yum yum!
- we have been learning about how to live a healthy lifestyle—including the things we eat and drink as well as exercise, sleep and cleanliness.
- we have been solving mathematical questions involving both addition and subtraction and we will continue with this next week.
- we have loved practising for our Sports Day events but unfortunately, the weather has stopped us from competing. Hopefully, we will arrange another date however we are quickly running out of time during this busy period!
- WELL DONE TO THE LAST SUPER SENTENCE HEROES - PABIT KUMARAGURU & ADHOOSH SURESKUMAR!

Next week...

- we will learn about holidays, including ways to travel. This will excite children ready for our school trip on Wednesday. During our trip, the runway teachers will talk to the children about all of the important jobs at the airport and children will have the opportunity to dress up as these people and re-enact these roles. They will also see an unused flight deck and sit in the Captain's chair! During previous years, children have especially loved this! We will also get to see the famous Concorde—wow!
- MANCHESTER RUNWAY VISITOR PARK SCHOOL TRIP WEDNESDAY 5th JULY. Please return your consent form and payment on or before 30th June. Please request a letter from the school office if needed.
- If you still have concerns about this, please visit the Runway website for further details or speak to a member of staff.**
- SPORTS DAY -we will keep you updated; a possible alternative date is 13th July but this has not been confirmed yet.

At home...

Please continue to support reading at home with your child, completing their green reading log. Please complete the Read, Write, Inc. sound sheet. Please practise reading the green/red words, trying to read them on-sight as much as possible as well as spelling some of them. 'Passports' - talk to your child about a passport and the purpose of one; if they have their own, look at it together and talk about the key features they must have and why. Complete the passport template and bring back to school ready to take on our school trip!

Thank you for your time and support,
Miss Graham, Mrs Savage, Miss Williams, Mrs Weeks & Mrs Beard
