Headteacher's Notes

Dear parents and carers,

On Monday morning, Year 4 welcomed their parents and carers into school. Mr. Rogers shared a presentation about the importance of times tables in our mathematics curriculum and ways in which we teach them at Robins Lane. The children then enjoyed their parents and carers coming into class, where they performed a times tables song in the tune of Adele! After this, there were lots of competitive games played between children and adults and a great time was had by all. Many thanks to all parents and carers for attending this session.

Our WINGS values are incredibly important to us and it is always wonderful to hear that our children are reflecting this in their lives out of school. On Tuesday, one of our Year 6 pupils was invited to afternoon tea with the Mayor of St Helens! Grace is part of a community team who give up their time to litter pick in the local area and this was celebrated with this well-deserved special event – well done to Grace and the other group members for having such a positive impact on our community. I am also proud to report that one of our Year 3 pupils, Finley, has been signed up to play football for Preston Academy. Finley has an excellent work ethic and embodies our 'Aim High, Fly High' motto. Congratulations Finley we wish you every success.

Yesterday, part of our school was off limits to staff and pupils as we were a Polling Station – thank you to parents and carers for your patience and cooperation as we had to change our usual routines to accommodate this. I am continuing to monitor the car park situation and hope that we can continue to be patient, courteous and considerate if you choose to park on school premises.

Today, we had a musical theatre treat from Key Stage 1. A huge well done to our Year 1 class on their incredible, show stopping performance this afternoon! The children have been working tirelessly to learn their lines, songs and actions for their play all about The Great Fire of London. It was bursting with facts and the children showcased their knowledge of such a huge event. It was a joy to see them shine on the stage. Thank you to parents and carers for your support and to Miss Moremon and Mrs Savage for preparing the children so well.

This time of the academic year can be quite challenging for Year 6 pupils and staff as they complete last minute preparations for their SATs tests which start on Monday 13th May. I am very proud to see the children 'going the extra mile' and supporting each other so genuinely.

Have a wonderful bank holiday weekend – let's hope it is filled with sunshine and blue skies. We look forward to welcoming the children, refreshed and recharged, back into school bright and early on Tuesday morning.

Yours sincerely,
Mrs Tomkow
